

Protect Your Health and Those Around You

Guidance for the Public

Five Core Actions

Practice Physical Distancing – If you are unvaccinated, stay 6 feet away from others who are not part of your household whenever possible – “Farther is Safer.”

Wear cloth face coverings – If you are unvaccinated, wear a mask in public when six feet of physical distancing can't be maintained.

Wash your hands or use hand sanitizer regularly – Wash for 20 seconds with soap and water or use a hand sanitizer with at least 60% alcohol.

Clean frequently-touched surfaces – Use hand sanitizing wipes to wipe door handles, shopping carts, etc.

Stay home when sick – If you do not feel well or have been told to isolate or quarantine, please stay home.

PLUS

- Follow posted safety guidelines.
- Don't touch your face.
